

Primary Areas of Our Firm's Practice

Our service is keyed to involvement. Whether your needs are singular or all-encompassing, you will deal directly with a partner in our firm – a professional CPA who has the expertise to assist you in all of your financial matters. By maintaining this one-on-one relationship, we gain the greatest insight into your financial goals. Problems can be isolated, innovative solutions proposed, and progress evaluated.

Technically, our services are divided into the areas of accounting/auditing, tax compliance and planning, and management consulting services. All of our services share one distinction: to help you plan for your financial future.

Accounting/Auditing

- ◆ Audits of Financial Statements
- ◆ Reviews and Compilations
- ◆ Client Services
- ◆ Budgeting
- ◆ Financial Projections and Forecasts
- ◆ Internal Control Review

Tax Compliance and Planning

- ◆ Estate Planning
- ◆ Pensions and Deferred Compensation
- ◆ Multi-State Taxation

Management Consulting Services

- ◆ Management Advisory Services
- ◆ Mergers and Acquisitions
- ◆ Computer Systems and Software
- ◆ Financial Planning
- ◆ Personal Financial Planning
- ◆ Closely Held Businesses
- ◆ QuickBooks® Consulting

De Boer, Baumann
& Company P.L.C.

Certified Public Accountants & Consultants

The Best Choice

When you select De Boer, Baumann & Company as your accountants and advisors, you can be confident you've chosen a progressive firm. It is no wonder the editors of Business Direct Magazine recently ranked De Boer, Baumann & Company as one of the "Top Ten West Michigan CPA Firms." We were also one of a very select group of firms nationwide to receive the "Practical Accountant's Practice Innovation Award". De Boer, Baumann & Company offers an array of services that can improve your bottom line, both corporate and personal.

De Boer, Baumann & Company will provide professional compliance services such as tax preparation and auditing and we will also help you prepare for your future with comprehensive financial planning services. Look to us for expert assistance whether your top priority is minimizing tax liability, creating reliable forecasts, estate planning or evaluating merger possibilities. Our experience is varied, and our focus is always on our clients' needs. So you can think of us as more than a traditional tax and accounting firm. You can think of us as your partner.

Staff members, with experience in a wide range of specialties, will address your needs and that is why our name includes "& Company" – to reflect the depth of our strength.

You can count on De Boer, Baumann & Company to assist in keeping your records in compliance with local, state and federal requirements. Our expertise goes well beyond compliance. By availing yourself of our management consultation and analysis expertise, your business can excel financially. You can expect the highest degree of knowledge, foresight and timely service.

Just as these qualities can help guide you toward a secure financial future, they have helped De Boer, Baumann & Company become one of West Michigan's largest locally owned certified public accounting and consulting firms, with offices in three West Michigan cities. Our growth comes primarily through referrals of our satisfied clients.

We are members of the BDO Seidman Alliance, a nationwide association of independently owned local and regional accounting, consulting, business and technology firms sharing a dedication to exemplary client service. As an independent member of the Alliance, we can expand the services offered to clients by drawing on resources of BDO Seidman, LLP, one of the nation's leading professional services firms. By supplementing our existing services, the BDO Seidman Alliance brings us the necessary tools to better serve our clients with greater flexibility, efficiency and cost effectiveness.

Finding yourself lost in the shuffle with a large national accounting firm or outgrowing the accounting firm that was good enough when you were small? Choose De Boer, Baumann & Company to help you with your financial future.

Client service is built on two foundations: (1) Technical competence – the ability of our partners and staff to competently and professionally perform consulting, accounting, auditing, and tax services; and (2) Consultation – the ability and willingness of our partners and staff to provide good advice, positive interest, and real value to you. Specific industry expertise and technical experience are important ingredients in our client work.
